The applicant is aware of and approves that all information from the application and the project may be stored in a database. The applicant further approves that Ekhagastiftelsen may publish the applicants name and summary project description as well as project reports on the website of Ekhagastiftelsen on the internet.

Save the filled in application form (without signatures) and send it together with the project description and application data sheet by e-mail to Ekhagastiftelsen. Also send a printed and signed application form by regular mail to Ekhagastiftelsen.
